Christmas Tree Contest will be in the Junior Fair Building as a part of the Winter Wonderland event on December 2-4, 2022.

Trees may begin to be set up Wednesday November 30th and must remain on display until after Sunday December 4th at 7:00pm.

Trees will be set up and decorated with two options. Please check your preference.

\_\_\_\_\_ **Option 1:** Accepting donations, each tree collects their donations and the top 3 collectors are the winners. People's choice, attendees can drop donations to a jar specified per company/tree (we would ask that donations are made in at least \$1 increments to avoid change , dimes, pennies etc.)

\_\_\_\_\_ **Option 2:** Silent Auction - each company would provide us with a minimum bid amount. Each tree would have a silent bid paper located at the tree with the starting bid for attendees to write down their contact information and bids. Auction winners would have the choice to take the tree or donate it back to the entity.

**Minimum starting bid: \$** \_\_\_\_\_

Please know that there will be a cut off to accepting trees. All registration forms must be turned in to the Fair Office via mail, in person, or email no later than **November 25th**.
